STRAW BALLOT EXPECTED TO GIVE ANSWER TO CAMPBELL'S INCORPORATION PROBLEM

Planning Commission Holds Hearings On Zoning Petitions For This Area

Application of George Lauer for duplex and commercial zoning on the north side of Stevens Creek Road between Daniel Way and Wainwright Avenue was denied Wednesday following public hearing by the County Planning Commission.

The State Division of Highways had asked the commission to deny the request for re-zoning since the proposed Highway Route 5 will pass the property and some interchange will be required.

Petition of Clementine Laird for light commercial zoning at the northwest corner of Stevens Creek Road and Bellerose avenue was taken under advisement by the board. Further study will be required to determine extension of zoning out Stevens Creek Road.

Also taken under advisement was petition of George W. Williams for rezoning to permit lots with a minmum of 6000 square feet instead of the present 8000 lot minimum on property bounded by National avenue and San Jose-Los Gatos road on the west; Woodard and Camden avenues on the north, Camden avenue on the east, and Los Gatos-Almaden road on the south.

Final public hearing was set for July 25 on application of A. L. Duncan for rezoning to permit small livestock farming on property lying between Pollard Road, Harriet avenue and the Campbell Elementary school property. Residents ask the zoning, since many are now engaged in chicken farming, a non-conforming use under present zoning.

Commissioners denied application of Charles and Ona Groves to convert a garage to a dwelling on property at the end of Bennet avenue which runs westerly on San Jose-Los Gatos road between Walker and Noddin avenues. The garage lies only seven feet from the rear property line, instead of 25 feet required for a dwelling under zoning provisions.

First public hearing was set for July 11 on petition of Cambrian Builders, Inc., to reclassify to apartment house zoning property east side of Union avenue between Branham Lane and Charmeran avenue.

Scheduled for first hearing on July 25 are petitions of: Walter W. Powers for a commercial zone on the east side of Union avenue between Branham Lane and Charmeran avenue.

nue and Redding road; Albert F. Weeks for duplex zone on the east and west side of Central avenue between Tubby street and Hamilton avenue; Peter and George Sorich for commercial zone at the northwest corner of Stevens Creek and road and Santa Clara-Los Gatos road.

Entertained For Father's Day

A pleasant surprise party was given for the Pioneer Club at the clubhouse Saturday afternoon in observance of Father's Day. The event was planned by the president's wife, Mrs. G. A. McDonald. Several of the ladies attended, bringing cakes and lemonade.

Judge Martin S. Walsh spoke briefly on the success of the club and on the origin of Mother's Day and Father's Day.

Mrs. Nellie Rutherford presented to the club an enlarged, framed picture of the club's first president, the late William Truax.

Mrs. Clara Baldwin, club mother, told of the need for more adequate heating of the clubhouse during the coming winter. Club members have shivered through two winters with a coal oil stove. The need, she said, is for installation of gas and a gas heater.

The club is unwilling to ask donations for this purpose, and Mrs. Baldwin proposed that the town business men follow Judge Walsh's lead and join the club, paying their year's dues, six dollars, in advance. This would enable the club to be prepared for the cold days to come.

If this plan meets with approval, anyone interested in such a worthy cause is asked to phone Campbell 2359.

BIG INCH FILM TO BE SHOWN AT ROTARY MEET

A PG&E film on the Big Inch pipeline will highlight the program of the Rotary Club meeting next Monday in the IOOF Hall.

Rotarians held their club assembly Monday evening, at which time committees for the year were appointed. Tony Raffanti was elected to the board of directors. The financial report showed a favorable position.

Club members learned that the Methodist women will discontinue their catering service for the Rotary club's weekly luncheon meeting. The job will be assumed by the Women's Auxiliary of the Veterans of Foreign Wars Post. Rotarians praised the catering work of the Methodist women, and went on record as having thoroughly enjoyed every meal prepared by the group.

Rotarians expressed concern over reports that the Kiwanis club is having difficulties raising sufficient funds to feed the Rotary club which trounced the Kiwanians 15 to 3 in a recent ball game. The Monday noon group also raised hope that their recent opponents would discover some means of providing the promised dinner at an early date, since the waistlines of the Rotarians are beginning to show an appreciable decrease due to the long waiting period.

Mr. Neale is a member of the board of directors of the Northern California-Western Nevada Council of Churches, and chairman of its central planning committee. He is also the registrar of the California-Nevada Conference of the Methodist church.

Prior to his appointment to Alameda, Rev. Neale was the associate minister of the First Methodist church in New Haven, Connecticut. He also served a church in East Norwich, Long Island, New York.

Mr. Neale was graduated from the College of Wooster, Wooster, Ohio, and from Yale Divinity School, New Haven, Connecticut. He and his wife, Evelyn, have two children, Rebecca, 7, and Paula, 4. The minister is the son of Herbert H. Neale a retired Methodist minister of the New Jersey Conference. His twin brother is also a Methodist minister, serving a church at Great Neck, Long Island, New York.

"As We Begin," will be the topic of Rev. Neale's first sermon in Campbell, this Sunday, June 24.

An official board meeting has been called for next Wednesday, June 27, at 7:30 p.m.

MORE DONATIONS FOR FURNISHING NEW FIREHOUSE

Fifteen more individuals and business concerns joined the slowly growing list of contributors to the fire house furnishing fund this week. Considerably more donations are needed to furnish the new Central Avenue firehouse completely, and in time for the dedication ceremonies on July 15.

Donation tickets may be purchased from Jones Service Station, Star Family Shoe Store, Humphrey and Zimmer Shell Service, or any member of the volunteer fire department.

Members of the fire department serve the community without remuneration, on a 24-hour basis. The only means of furnishing the firehouse is through voluntary contributions.

Contributors

This week's list includes J. C. Agostinho, realtor; Campbell Food Lockers, Junior Odd Fellows, Mrs. Eva Grattan, Mr. Dreisback, Campbell Hardware, Field's Grocery, Friendly Center Barber, Campbell Liquor Store, Ainsley Corporation, Guy E. Farley, realtor, Campbell Water Co., I. O. McConnell, Shell Service, Campbell Shoe Repair and A. C. Currie, realtor.

Merchant Survey To Determine Shopping Night

A canvass of local merchants will be conducted in the near future to determine best late shopping night to be adopted. Members of the merchants committee of the Campbell Chamber of Commerce, headed by Harold Estensen, met Wednesday night and planned the survey.

The group also discussed various proposals for improving business in Campbell. Present were Estensen, Frank Accardi, Dobie Jeffers, Red Beltz, Cel Gerevas, Robert Seligson, Tom Burnett and Bill Means.

Heads Mortgage Bankers

Willis M. Holtum, representative of Equitable Life Assurance Society of California and a resident of Campbell, has been elected president of Mortage Bankers Association of Northern California.

Vacation Bible School

Daily vacation Bible school will start next Monday, June 25, at the San Tomas Baptist Church, and will continue through July 6. School hours will be from 9 a. m. to 12 noon.

American Trust Extends Friday Banking Hours

James K. Lochead, president of American Trust Co., stated today that beginning Saturday, July 7, all offices of the bank will be closed on Saturdays. As an additional service, Friday banking hours will be extended to meet the requirements of customers.

"This action," Mr. Lochead stated, "is taken in consideration of our employees' welfare, and follows the national trend throughout business and industry to observe a five-day week."

Commenting on the Saturday closing, J. J. Payne, manager of the Campbell office, said "This new plan will also assist us materially in maintaining the high quality of personnel and service that we have always endeavored to provide."

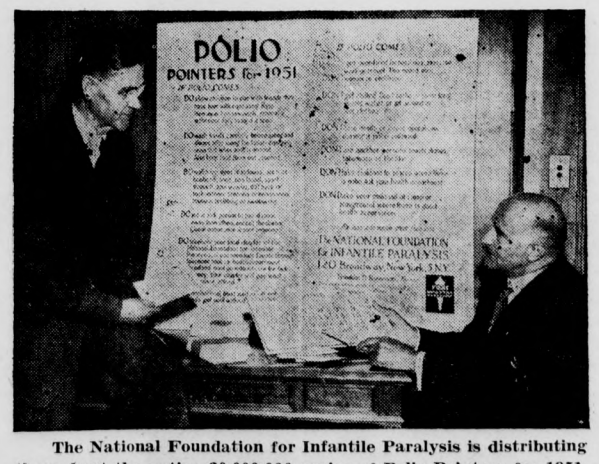
Those who received degrees are: Norva Lee Ingram, bachelor of arts, social service, faculty of humanities and sciences; William Albert Shuey Jr., George Bruce Kemp and George Thomas Egling, master of arts, school of education; Franklin MacDonald, doctor of philosophy, school of education; Kenzo Ishimaru, bachelor of science, mechanical engineering, school of engineering.



The National Foundation for Infantile Paralysis is distributing throughout the nation 30,000,000 copies of Polio Pointers for 1951, 12 Do's and Don'ts about polio, shown here in oversize form. With the summer epidemic season approaching, Dr. Wilton L. Halverson, (left) State Director of Public Health, and L. M. Giannini, March of Dimes State Chairman, urge that parents and children who did not receive copies before the closing of schools in June will be sure to obtain them from their local chapters of the Foundation.

LEGISLATOR SAYS POSSIBILITY GOOD FOR EVENTUAL PASSAGE OF URBAN UNINCORPORATED AREAS LAW

Legislation setting up urban tax districts for the purpose of charging residents of urban areas for their streets, police and fire protection, will eventually become law, State Assemblyman Charles S. Gubser predicted this week. The legislator from this district warned residents of urban areas to prepare themselves for this eventuality, stating that: "it is generally conceded that because of this possibility, many thickly populated areas will soon commence proceedings for incorporation or annexation to existing cities."

Campbell, faced by both the urban tax threat and annexation moves emanating from the San Jose and Santa Clara sectors, is expected to express its opinion on incorporation or annexation this week. A straw ballot sampling of community opinion is being taken by an informal fact-finding committee to determine wishes of the majority of local residents.

Since the next step depends on results of this informal polling, each householder is urged to return his opinion ballot and to express his honest opinion, whether for or against incorporation.

Returns have begun to come in to the office of L. W. Harmon, who has permitted the committee to use his address as a collection center for the opinion tally. Referring to these, Harmon said all have been in favor of incorporation, and he praised one resident who took the trouble to qualify his "Yes," by stating that he would support incorporation if sufficient territory is included. Should the plan encompass only a few blocks of the central section, he stated he would not be in favor of incorporation.

"This is the sort of reply we want," said Harmon. This man has expressed his opinion in full. If the residents would vote yes or no under certain conditions, then we want to know what the conditions are."

Many persons have dropped in to talk to Harmon about the tax rates, boundary lines, and type of government. To all these, Harmon has explained that the entire organization is in its earliest formative stages. Everything depends on the result of the straw ballot currently underway.

Should the majority of residents favor further action toward incorporation, then a public meeting will be called, at which every resident will be urged to ask those questions, and to help find the answers, for the type of government, tax rates, size of the proposed area to be incorporated and all other details would be determined by the residents of Campbell themselves.

At the public meeting, residents probably would appoint a committee to investigate all phases of incorporation, to compile the data obtained and to present the facts to the entire community at one or many subsequent town gatherings. "The people of Campbell would form their own city, establish its laws, zoning and tax rates," Harmon stated. He added that equitable tax rates could be worked out for orchard property, which would not penalize but benefit the orchard property owner.

Thus, the immediate action calls for a true picture of the residents' wishes. This can be obtained through the straw ballot if every member of the community will respond, and answer honestly. Should anyone have failed to receive a ballot, he may notify Harmon at Campbell 3335. The fact-finding committee has promised that all names of those sending their opinions to Harmon will be kept confidential. Only information on the trend of the voting, and final tally will be released to the public.

Scouts Top Dads In Ball Game

Methodist Men of Campbell entertained members of Explorer Scout Post 32 and Boy Scout Troop 32 at a chicken barbecue Saturday at Los Gatos Municipal Park. Forty-five scouts, club members and dads enjoyed an afternoon of swimming, games and dinner.

Highlight of the afternoon was a father-son baseball game. The rooters enjoyed the game, but it was called at the end of the sixth inning, due to creaking backs. The dads, somewhat weary, trailed by a score of 26 to 21. Umpires were Scout William Brusin and Explorer Scout George Cantoni.

In impressive ceremonies at the First Methodist Church on June 10, Cub Pack 19 and the Explorer Post received their charters for 1951-52. The Rev. Lawrence J. Osborne introduced the district representative, Laurance J. Hill, who in turn presented the representative for the Methodist Men, George Larson. The latter introduced the chairman of Pack 19, Howard Guilbert, who gave recognition to the pack committee and den mothers. J. D. Cantoni, head of the explorer scout group, was introduced, as were Boyd Fair and his committee for Troop 32.

Virginia Bese, Miss Dorothy Miller At FHA Leader Training Conference

Campbell Union High school homemaking department has two representatives, Virginia Bese and Miss Dorothy Miller, at the first Western Leadership Training Conference for Future Homemakers of America at Estes Park, Colorado, June 18-22, it was announced today by Miss Mildred Huber, state adviser for the California Association of Future Homemakers of America from Sacramento.

Virginia is one of 14 teen-age members and Miss Miller one of the four advisers who will represent the 5783 California members in 157 local schools in the state.

The fourteen members of California's delegation are officers in the state, section or chapter organization. Virginia is the state president for the California Association of Future Homemakers of America. She will answer roll call for California at the first general session of "Who's Who and Who's Here." Virginia will also serve as observer for a discussion group entitled "What It Means to Represent FHA." Miss Miller will assist Miss Mildred Huber, state advisor, with the organization and arrangement of properties for the conference programs.

Theme for the FHA leadership conference is: "Leadership Training Today Brings Happier Homes Tomorrow." About 280 teen-agers and 70 adult advisors from west of the Mississippi will attend. A similar conference will be held in July in Michigan for members from the eastern states.

Future Homemakers is made up of homemaking students throughout the nation and the territories of Puerto Rico, Hawaii and Guam. The purpose of the organization is to encourage better home life in the families of members today and for the families they will raise in the future.

Future Homemakers, which has headquarters in Washington D.C., is sponsored by the U.S. Office of Education and the American Home Economics Association, but financial support comes from dues from members. Nationally known leaders in the field of home economics serve on the advisory board. Miss Edna Timdon, chief of the Home Ecoonmics Service of the U.S. office of education, is chairman of the advisory board. Miss Lela Smart is the national advisor.

Tolomoki Group Serenades Women At Rest Home

Camp Fire Girls of Tolomoki group serenaded invalid women at the Sunset Rest Home, Campbell Avenue at San Jose-Los Gatos Road, June 18. Since the name Tolomoki means musical maidens, and all members of the group belong to either the glee club or orchestra at Campbell Grammar School, the girls decided to serenade the women as their project in service this year.

The group orchestra members are Marilyn Owen, piano; Sharon Allshouse, accordion, Heather Howard, Lauretta Johnson and Nita Barr, violins; Lorna Little and Velma Patton, cello.

Those in the chorus are Sharon Bayless, Dolores Adolfo, Nanjean Purcell and Joyce Hill.

Selections played and sung by the group included "Law of Camp Fire," "6 Little Ducks," "Redwood Lullaby", "This Is The Time For Singing" and "Wohelo For Aye".

The group is led by Elizabeth Mattix, assisted by Nadine Owen.

A variety of ball games will be organized during the afternoon by the recreation director.

Fiedler To Lead Pop Concerts At S. F. Auditorium

Dates for a gay mid-summer music festival, consisting of eight "pop concerts" by the full San Francisco Symphony Orechestra under the baton of guest conductor Arthur Fiedler, famed leader of the "Boston Pops" Symphony, were announced today by the San Francisco Art Commission.

The festival concerts will be offered on July 18, 21, 25 and 28, and August 1, 14, 18 and 28. All concerts will take place at the San Francisco civic auditorium.

Bay Area artists who have won national and international acclaim will be featured soloists on each program. They include Lucine Amara, dramatic soprano; Leonore Joffe, violinist; Ludwig Altman, organist; Randolph Hokanson, pianist; and Norman Carol,

On his arrival in San Francisco for the series, conductor Fiedler will audition other young artists for appearances with the Symphony at the concerts of August 14, 18 and 28.

Following its traditional policy of "the finest music at prices everyone can afford," the art commission has announced a low price scale for the festival—from 30c to $1.50, tax included.

In keeping with the "pop concert" tradition, tables also will be provided on the main floor, priced at $2.30, including admission and refreshments. The auditorium will be appropriately decorated for the musical evenings.

In hard water areas, to get clothes really clean, rinse water as well as wash water needs a softening agent. Soap combines with hard water minerals and forms scum which clings to clothes. Enough soap is carried on the clothes into the rinsing water to form this scum.

Household cement often leaves an unsightly mess on one's fingers and along the edges of mended cracks. It can be safely and expertly removed with nail polish remover.

"I have worked with many P. G. and E. customers for years. In that time I know their household rates have come down to where they're actually less today than in 1940. In the same period their use of gas and electricity has about doubled."
—H. B. Coleman, Salinas. P. G. and E. Meter Reader

"Most everything costs more except gas and electricity...and they cost less than in 1940!"

Most everything else is up but P. G. and E. rates—which are actually lower than in 1940. Why is this possible? First, if you're an average customer, you are using nearly twice as much gas and electricity as 10 years ago. And quantity use cuts unit delivery costs. Second, alert employees and careful management work together every day to do their job better, to improve efficiency. The savings that result are passed along to you in reduced rates.

"My family's use of electricity *has* increased tremendously in the last 10 years. We've added several appliances, improved our lighting, bought a larger refrigerator and gas heater. Yet, our monthly gas and electric bill is no more than the price of a good roast for the family."
—Mrs. George Sargenti, Housewife, Salinas

Chrysler Carries On Fine Tradition

For a few brief moments as the 33 fastest race cars in the country wheeled around the Indianapolis Speedway three abreast at 10 a. m. Wednesday morning, May 30, a sleek, powerful looking white convertible was in the van—holding the spotlight momentarily in this panorama of might on wheels. This was the Pace Car for the 500-mile Memorial Day classic and 150,000 pair of eyes was focused on it as it led the roaring pack toward the start of this greatest of all automobile races.

The colorful and coveted pacemaker was played this year by a Chrysler New Yorker convertible with the new Fire Power V-8 engine of 180 horsepower—highest horsepower ever put into a stock car. At the wheel will be David A. Wallace, Chrysler Division president.

Wallace will be following the path of three other Chrysler Pacemakers which led the 500-field to a flying start during the last quarter century. First was the 1926 Chrysler Imperial "80", "brainchild" of the late Walter P. Chrysler and considered the hottest thing on wheels in those days. It was a low-slung 4-cylinder roadster and was driven by the famous race driver Louis Chevrolet. Next came the Chrysler "8", driven by vice-president Byron Foy in 1933. Chrysler again set the pace in 1941 with its Newport "8", with A. B. "Tobe" Couture, Chrysler Corporation chief test engineer, at the wheel.

As the field roared and spluttered around the track in the wake of this most powerful—and possibly fastest—stock car in America today, oldtimers recalled pace cars of other years and the men who drove them.

Carl G. Fisher, founder of the Indianapolis Speedway, in 1911, set the pace for the first four 500-milers in a Stoddard-Dayton. Fisher has been dead many years—the cars he drove long since have passed into oblivion. Packard paced the race in 1915 with "Big Boy" Raeder at the wheel. Raeder, a leading test driver of his day paced the race more often than any other man outside of Fisher—four times in all.

A Premier "Six" paced the 1916 race and a Marmon V-16 with the incomparable Barney Oldfield at the wheel led the pack in 1920. Harry C. Stutz, maker of the famous Stutz 'Bear Cat" paced the race in an HCS (his own initials) in 1921 and Oldfield again drove the pacemaker, a "National", in 1922.

Fred Duesenberg, noted engineer and automobile designer, paced the 1923 race in a car bearing his name, and in 1924 a Cole "8" did the honors. Captain Eddie Rickenbacker, now a tycoon of the airways, paced the 1925 500-mile classic in a Rickenbacker Special.

As noted, Chrysler set the pace for the first time in 1926 and in 1927. General Motors was represented by a LaSalle with Raeder at the wheel. Joe Dawson, first winning driver of the "500" (1912) set the pace, drove a Marmon in 1928 and a Studebaker played the role in 1929.

E. L. Cord drove a pace car named for himself in 1930 and Raeder was in the driver's seat of a Cadillac in 1931. Edsel Ford, late president of the Ford Motor Company, paced the race in a Lincoln in 1932; Foy with a Chrysler in 1933 and Raeder drove his fourth and last pace car (a LaSalle) in 1934. A Ford V-8 was the pacemaker in 1935 and Tommy Milton, twice winner of the 500-mile marathon and now chief steward of the Speedway, led the field ni a Packard in 1936.

The spectacular Ralph DePalma, winner in 1915, paced the 1937 classic with a La-Sale; Hudson, Buick and Studebaker were the pacemakers in 1938, 39 and 40 in that order.

Chrysler was back on the track again in 1941—the last race before World War II closed down the Speedway for four years. When the race was resumed in 1946, Henry Ford II drove a Lincoln pace car and in 1947 George W. Mason, president of Nash-Kelvinator, was at the wheel of a Nash. Chevrolet was the pace car in 1948 and in 1949 Wilbur Shaw, three time winner of the 500-miler and now president and general manager of the Speedway, paced the "500" in an Oldsmobile. Last year's race was paced by a Mercury driven by Benson Ford.

NEWS BRIEFS FROM THE STATE CAPITOL

By CHARLES S. GUBSER
June 18, 1951

This will be the last of these weekly letters from Sacramento, since the 1951 regular session will conclude at midnight, Saturday, June 23. A constitutional requirement limits our session to 120 days, which ends Saturday.

One bill of extreme interest to residents of Santa Clara County, which has already passed the Senate and will be considered by the Assembly this week, is SB 416. This measure appropriates $750,000 from the State Highway fund for a survey of a high level steel bridge joining Richmond and San Rafael.

Opponents of the measure feel that a low level dirt and rock crossing could serve as a barrier to trap fresh water now flowing out the Golden Gate for eventual transportation to a proposed fresh water lake in the south San Francisco Bay. This overall plan is commonly referred to as the Reber Plan.

It is felt that if the high level bridge is built one of the strongest arguments for the Reber Plan, namely that it will serve as a bridge as well as a water conservation dam, will be defeated. Those of us who would like further investigation of the Reber Plan as a possible source of water for Santa Clara County feel that the bill should be defeated because, due to the steel shortage, a bridge cannot be built for at least five years.

It must be remembered, however, that some sort of crossing is needed and that unless we present, in the near future, some concrete proposal of the Reber Plan, we cannot justifiably continue to impede progress upon a bridge.

Urban Tax Districts

AB 3217 which would set up urban tax districts for the purpose of charging the residents of urban areas for their streets, police and fire protection, etc., has passed the Assembly over a storm of opposition. The bill is not expected to carry in the Senate and will probably be studied for a period of two years.

It is safe to predict that legislation along these lines will eventually become law and residents of urban areas should prepare themselves for this eventuality. It is generally conceded that because of this possibility, many thickly populated areas will soon commence proceedings for incorporation or annexation to existing cities.

AB 1985 granting $48,000,000 in additional state aid to local school districts has been passed by the Assembly. Since the estimated surplus for the year's operation is only $28,000,000, it is expected that should the measure be finally passed, the $48,000,000 figure will be cut down by the Governor to approximately $20,000,000.

Rainy Day Fund

Proponents of the bill argue that now is the time to use the $75,000,000 "Rainy Day Fund" and that the total amount appropriated in the bill should not be cut down. Governor Warren has explicitly stated that in his opinion the $75,000,000 Rainy Day Fund is to be used in the case of extreme emergency such as an atom bomb attack. Veteran observers are certain that he will not use this fund for the aid of schools.

The only opposition to the bill in the Assembly came from those who were against passage of a bill which did not provide the necessary revenue. Previous attempt at attaching a 3c per package cigarette tax had been defeated. No one disagrees with the fact that schools are in need of added aid, and all agree that they will receive additional money from this session of the Legislature. The only question is how much it will be.

During the past week several attempts at investigations of the entire school system to determine the extent to which Communism is taught have been defeated. The recently published report of a Senate committee accuses the University of California and all public schools of teaching Communism. It is generally believed that the accusations, as they pertain to grammar and high schools, were not proved and were unjustified. Legislators feel that local schools have done an admirable job and should not be subjected to the "finger pointing" and accusations which can result in nothing but the disruption and inefficiency of the teaching process.

The majority of the men here are becoming disgusted with certain individuals who persist in seeing a Red behind every closed door and feel that such a practice is for the sole purpose of gaining publicity, rather than a willingness to serve the state.

The reform element here in the Legislature won a major victory on last Friday when the new Rules committee comprised of three Republicans and three Democrats and the Speaker of the House, was selected. All six elected members had previously voted in favor of the rules change and are pledged to the elimination of many of the malpractices which in the past have placed the Legislature in an unfavorable light.

Sincere Effort to Serve

To summarize the events of this session, it appears to me that, though not perfect, the State of California is operated in a sincere and intelligent manner. I have enjoyed serving the 29th District and sincerely believe that I have served it well. Obviously, there will be disagreement with some of the votes I have cast, but I can assure you that all my decisions have been based upon independent thinking, and a sincere consideration for what I believed to be right.

I would like to thank the Editor of this paper for printing this material and also the citizens who have read it. I hope that it has given you some insight into what your Legislature is doing. Throughout the interim I will be available to serve you in your needs. If you wish to contact me, I would appreciate a communication addressed to P. O. Box 276, Gilroy, Calif.

Two-Tiered Gelatine Salads For June

June with its bounty of dairy products suggests cottage cheese as a nutritious and smooth addition to double-decker gelatine salads. A tomato aspic layer contrasts appetizingly in color and flavor. The unflavored gelatine used to firm both halves of these individual, main dish salads is responsible for the perfection of the blend. With open-faced deviled ham sandwiches, potato chips and radish roses a party plate is ready for luncheon club or graduation class gatherings.

Tomato Cottage Cheese Party Molds

Cottage Cheese Layer:

- 1 envelope unflavored gelatine
- ¼ cup cold milk
- ½ cup very hot milk
- 2 cups cream-style cottage cheese (1 pound)
- ½ teaspoon salt
- 2 teaspoons grated onion
- 1 cup finely diced celery
- ½ cup finely diced green pepper

Soften gelatine in cold milk. Add hot milk and stir until gelatine is dissolved. Blend in cottage cheese; add salt, onion, celery and green pepper. Divide mixture between 12 individual molds and chill until almost firm.

Tomato Aspic Layer:

- 2 envelopes unflavored gelatine
- 1 cup cold tomato juice
- 2½ cups hot tomato juice
- ½ teaspoon salt
- ¼ teaspoon pepper
- 2 tablespoons lemon juice

Soften gelatine in cold tomato juice. Add hot tomato juice; stir until gelatine is dissolved. Stir in salt, pepper and lemon juice. Chill until consistency of unbeaten egg white. Turn on top of cottage cheese layer in individual molds and chill until firm. Unmold on salad greens. YIELD: 12 servings.

Madge R. Jones Dies In Oregon

Madge Raymer Jones, a native of Fresno, died May 30 in Portland, Oregon. She was the sister of Mrs. Hazel Raymer Snyder of Campbell. Services were held Tuesday, June 5, in San Jose. Interment was at Oak Hill Memorial Park.

Mrs. Jones was the wife of Howard Jones of Portland; mother of Mrs. Harry A. Gormley Jr. of Hawaii, T.H., and Captain Howard Jones, USAF, Tucson, Arizona; sister of Mrs. Hazel Raymer Snyder of Campbell, Leon Raymer of San Jose, and grandmother of Sandra Lee Jones.

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of this paper.

Dear Sir:

"Our sincere thanks to all who worked so hard for the THREE PINTS of blood given in Campbell when the Blood Bank Mobile Unit was here on Thursday, June 7.

"Mrs. Runge and her home economics class did a grand job of phoning for donors—it certainly wasn't their fault that people did not show up.

"Mrs. Lanphear and her 'kitchen police' had juice, doughnuts and coffee ready. Larry Osborne had the parish house in fine shape. Everything was perfect. All we didn't have were donors!!

"Where were you??"

BUDD LEVENBERG
Blood Bank chairman.

Dear Sir:

The members of our association wish to express their thanks to the citizens of Campbell School District for the strong vote given the school tax increase measure in the June 12th election.

We realize that most of those who marked the ballot "yes" had teachers' salaries in mind. The knowledge of this public support encourages us to give our best to the job of teaching.

—Campbell Teachers' Ass'n.

Margaret Bressie Succumbs Here At Age Of 73

Mrs. Margaret Lucy Bressie, 73, resident of 1033 Theresa avenue, Campbell for the past four years, died June 19 here, following an illness of several weeks. A native of Maine, she had resided in San Diego before moving to this county.

Funeral services will be conducted at 2 p.m. today from the Melvin Mortuary chapel, Los Gatos. Interment will be at Los Gatos cemetery. The Rev. David Todd Gillmor will officiate.

Mrs. Bressie is survived by her husband, Fred C. Bressie; daughters, Mrs. Dorothy Heyne of San Jose and Mrs. Hazel Kroneberger of Clovis; sons, John Beck of Whittier and Delbert Bressie of Long Beach, and brother, William Adams of Seattle.

Measles Continues In Lead Of County

Communicable diseases reported in Santa Clara County, except San Jose, totaled 256 cases for the week ending June 6. Total diseases reported for the previous week was 118 cases.

Measles continued to be the most prevalent disease. There were 198 cases reported for the June 6 week and 74 for the previous week. Cases of measles in Campbell jumped to 31 for the week, compared to 17 for the previous week. One case of pneumonia also was reported here.

JOBS SOUGHT BY PLACEMENT BUREAU AT CUHS

Campbell high school students are seeking work, and are anxious to find it.

During the past year the high school has been in the process of establishing a job placement bureau to find employment for the students who need work and are willing to do many kinds of jobs.

George Kemp, head of the business department, is coordinator for the placement bureau which carries listings of students and the types of work for which they are best qualified. Residents seeking a willing hand for odd jobs such as weeding, trash cleaning, lawn mowing moving and housework, and business men who need an extra helper on inventories or for rush hour work, are urged to contact the high school, phone Campbell 3481, and ask for Kemp.

The coordinator will recommend the best student available for the job. Good placement work develops good citizenship and a sense of responsibility by enabling students who need work to earn a portion of their livelihood, said Kemp.

Czech Girl In 'Follies'

A story of a flight from dictatorship in Czechoslovakia has now turned into the "Aja Vrzanova success story."

Aja, one of the new stars in the "Ice Follies of 1951", which opened at Winterland Wednesday night, June 20, won the 1950 world's women's figure skating championship at London, and then renounced her native land of Czechoslovakia.

She refused to return there. Instead, she fled to Montreal, Canada, where Roy Shipstad signed her for the "Ice Follies". And, with a brilliant exhibition of the figures that won her the world's title, she has become one of the "Ice Follies"' brightest stars.

Tickets for the "Ice Follies of 1951" are now on sale at Winterland, and at Sherman Clay in San Francisco & Oakland, or via mail. Send a self-addressed, stamped envelop with check or money order, to Ice Follies of 1951, Winterland, Post and Steiner, San Francisco. Tickets are priced at $1.20, $1.80, $2.40, $3 and $3.60, tax included.

Sport Scenes

By HAL BORCHERT

The wheel of fortune indeed takes a strange turn at times. Witness recent selection of the SCVAL all-star team.

Johnny Perata, heavy hitting Buc outfielder, was completely ignored by the coaches who selected the team. Perata, who batted .500 in sanctioned loop competition and .444 for a seasonal total of 20 games, was not even given honorable mention on the SCVAL team.

The selection of "all-teams" is always a hard job and by present methods it seems that someone is constantly being forgotten.

As hinted recently by George Miskulin, Buc coach, before this Perata shuffle, a "better system is needed." The present set-up is as fair to the players as rolling logs without spikes . . . no use putting out because when you do get to the top, you'll fall from lack of expected support.

Under the present system, each coach selects his version of a valley all-star team. He has to commit himself, one way or the other, on players he sees but once a year for the most part. He is adequately qualified from a familiarity viewpoint, to pick only one bunch of kids, his own. A star player from a given club, who owns a .700 batting mark and is fielding faultlessly, may have a bum day and go only one for three while his teammate, a bench jockey of the first corps, may scratch three hits during the contest.

When casting his ballot, the coach under discussion will remember those three bingles that undoubtedly caused his pitchers discomfort and then overlook the better man entirely.

We wholeheartedly endorse Miskulin's proposal of letting each individual mentor pick the best players of his own squad. Then the list would be sent to all other coaches in the loop. With seven or eight such reports covering every player's ability and output in a coach's possession, the selection would be more representative than it is under the present method.

Of course, not even this method is infallible, but it seems more just.

MUIR VIEWS

Before retiring for summer vacation and the three months of planning for next fall's edition of the Buc football team, Coach Jim Muir had a look at 130 grid hopefuls.

The youthful ex-California Bear quarterback put the lads through a two-week spring session for a glance at their potentialities.

Muir has only three first-string returning lettermen from which to form the nucleus of the 1951 team. They are Paul Pratt and Dick Gleed, tackles, and Don Lukehart, guard. Gleed wasn't a regular first-string performer last year but the six-foot muscular lineman has the potential and fortitude and may well develop into one of the better tackles this fall.

In the backfield, only two defensive backs are returning. Small but compact Dick Farrugia, the Bucs' rugged linebacker, and Tom Rhodes, lanky halfback, will probably provide much of the offensive punch this fall.

Coach Muir put the boys through light drills. The grid aspirants ran through simple plays. The linemen practiced blocking fundamentals with the backs assigned conditioning exercises and various play patterns.

CAMPERS NOTE

Campers in the area may be interested in a new ruling put forth by the State Division of Beaches and Parks. This office recently made the announcement that 15-day camping limits are now established for many of the California parks.

The officials say the new ruling will allow more people to enjoy camping privileges this year. Last season the volume of campers was up 20 per cent over the previous year and the innovation will relieve the congestion, it is hoped.

Santa Cruz county parks affected are Seacliff Beach State park, New Brighton Beach State park and Big Basin Redwoods State park.

Netops Rally To Top Independents, 8-5; Davenports Down Jr. Chamber, 10-4

Trailing 5-4 going into the final frame, Netops came through with a four-run rally to defeat the Independents 8-5 Wednesday night.

Netops combined hits by Rightfielder Swanson, Centerfielder Wren and Shortstop Weber plus a free pass to Thirdbaseman Mahre to push across the four tallies.

Netop pitcher Snyder aided his own cause by contributing two hits —one a double—and scored two runs.

Score Early

The Independents started early scoring three runs in the initial frame on two hits and three walks. They came through with single runs in the third and fourth innings but the late rally by Netops couldn't be overcome. Freddie Aspesi was on the mound for the losers. He gave up six hits, and five free passes.

The Independents tagged Snyder for four safeties and were issued eight Annie Oakleys by the Independent hurler.

Davenport Wins

In the second game on Wednesday night, Davenport Electric downed the Junior Chamber of Commerce, 10-4.

With the score tied at 4-all going into the sixth frame, the Davenport ten exploded for six runs to cinch the victory.

Stewart, Buillion, Bastovan, and Harder led the late rally with base knocks. Four walks by Pitcher Harkey and five costly errors by the Junior Chamber aided the winners in that fatal sixth.

Big First Frame

Davenport Pitcher Walters gave up seven hits and three walks in registering the win. He fanned five Junior Chamber batsmen.

The Junior Chamber had its big inning in the first frame when they scored three runs on four base hits to grab an early lead. Walters settled down and struck out the last two men in that stanza and was never tagged very hard after that.

L. C. Barnetts Sell Apartment House

Mr. and Mrs. M. J. Snyder of McCoy avenue, Campbell, have purchased the apartment house on Big Basin Way near Fourth street from Mr. and Mrs. L. C. Barnett. The latter couple will live in a cottage adjoining the apartment property.

Hardwaremen Win Over Independents; Lose To Calado

Campbell Hardware senior softball ten took a split in two games last week winning a close 4-3 verdict over the Independents and then dropping a 14-12 slugfest to Calado.

Shortstop Agenedo was the hero of the win over the Independents with three bingles in three trips. The shortfielder also scored three of the Hardwaremen's runs including the winning tally in the last frame.

Campbell went out in front in the first frame on hits by Agenedo, third baseman Olmette and firstbaseman Burrows. They added two more in the third spasm on successive hits by Agenedo, Olmette and Catcher Carter.

TIE SCORE

The Independents tied the score at three all in the third with three tallies. They bunched two hits, a walk and an error to push across the runs. Miller paced the Independents' attack with two hits in as many trips.

Ellison was the winning pitcher and Aspeci was the loser. The former gave up four hits and the latter was tagged for six safeties.

AGENEDO HOMERS

Shortstop Agenedo's bat boomed in the Calado contest also as he banged out two roundtrippers in three times at bat to drive in four big runs. His effort went in vain however as the photographers took advantage of 11 free passes and four costly errors to notch a 14-12 victory.

The Calado ten had their big inning in the third when they pushed across seven tallies to take an 11-7 lead. The cameramen added three more tallies in the next frame to ice the victory.

MAKE FINAL BID

Campbell Hardware made a final bid in the last frame as Agenedo blasted his second four-bagger with team mate Beaulien on base, but that was all the Hardwaremen could muster.

Firstbaseman Stuhlman paced the victors at the plate with two bingles out of three times at the platter. Calado collected seven safeties and Campbell banged out 10.

The Hardwaremen meet the Jr. Oddfellows in their next outing on Monday night. They will play the second game.

Independents draw the Junior Chamber of Commerce in the first game next Wednesday while Calado draws a bye in next week's activities.

VETERANS DOWN ODDFELLOWS 9-1; DERGANS WINS

Aided by shaky pitching and equally shaky fielding the VFW downed the Junior Oddfellows 9-1 last week to keep their current win streak alive.

Pitcher Shemway gave up six hits and six free passes to the winners. The Oddfellows committed three costly errors to aid the Veterans.

VFW Pitcher Danny was not quite so lax with the free passes, issuing only two and was almost equally as tight with basehits giving up only three safeties. The Veterans' hurler fanned nine Oddfellow batsmen.

VFW scored three runs in the first and added four more in the second inning to pull away. Shortstop Sargent supplied the needed punch at the plate with two hits in three trips.

Gilpatrick was the only Oddfellow who was able to hit the offerings of Danny consistently as the catcher banged out two hits in as many tries.

The Oddfellows fared no better in their other outing last week as they dropped a 9-3 decision to Dergans.

Pitcher Johnson of Dergans scattered three hits while his team mates were blasting nine safeties from the offerings of Oddfellow pitcher Harris.

Dergans did all their scoring in the first four innings, tallying four in the first on three hits and a pair of walks, two in the third, and three more in the fourth.

Rightfielder Green was the heavy hitter for the winners with three bingles for four times at bat. Shortstop Bullian knocked out two basehits in three trips to share batting honors.

CYNTHIA - QUICK! GET TO A PHONE! NOTIFY THE STATE DEPARTMENT OF COLONEL KOCH'S IDENTITY BEFORE HER BOYS GET NASTY! KRONER'S QUICK THINKING GAVE HER A HEADSTART, BUT THERE'S STILL A CHANCE...

WE'RE IN TROUBLE, HESS - IS OLGA HERE?
YES - IN THE BASEMENT, COLONEL -
OUR WORK IN AMERICA IS LOST NOW THAT THEY KNOW WHO YOU ARE, COLONEL!
-NOT IF WE SILENCE THE ONLY TWO. WHO KNOW! HESS, YOU ARE TO GET CYNTHIA AND BRING HER TO KRONER'S. OLGA AND I WILL TAKE CARE OF MR. LINCOLN. NOW LISTEN CAREFULLY...
MEANWHILE... UNABLE TO FIND KRONER, ROGER LINCOLN LEAVES THE CLUB...
LOOK, MR. LINCOLN - THAT LADY JUST LEAVING BY THE SIDE ENTRANCE, IS THAT HER?
SURE IS, CAPTAIN! CABBIE, FOLLOW THAT CAR -

CRIPES! I CAN'T!
YOU MUST! THE STATE DEPARTMENT WILL PAY FOR ANY DAMAGE -
I DON'T GET IT - IS THE COLONEL SLIPPING? SHE LED ME RIGHT TO HER HQ...
SURPRISE! SO, COLONEL KOCH, THIS IS WHERE YOUR SPIES WEAVE YOUR FANCY CLOTHES, EH? - START PACKING -
YES -?
OH!..ER- I THOUGHT YOU WERE..ER.. PARDON MY RED FACE, BUT I MADE A MISTAKE -
ON THE CONTRARY, MR. LINCOLN, THE MISTAKE WAS ALL MINE -
- BUT IT WILL BE RECTIFIED AS SOON AS HESS GETS HERE WITH CYNTHIA. NO ONE LIVES WHO THREATENS MY WORK AND IDENTITY!

MARLA DRAKE MISS FURY

YOU SEE, SIR, WE WERE PICKED UP TRYING TO CROSS THE BORDER--

NOW OUR MONEY IS GONE— EVERYTHING--

MY FATHER WAS TAKEN AWAY BY THE SECRET POLICE LAST WEEK--

WHEN I HEARD OF MY SON'S ARREST, I DEEMED IT WISE TO GET MY DAUGHTER-IN-LAW AND THE CHILDREN OUT OF THE COUNTRY—

BUT, THEY CAUGHT US — SAID WE'D BE SENT TO WORK CAMPS AND THAT MY KIDS WILL BE TAKEN AWAY FROM ME —

WE'RE SURE GLAD YOU TOOK OVER THE TRUCK! MAMA SAY'S YOU'LL SAVE US AND--

YES! I HEARD YOU TELLING YOUR YOUNG LADY--

MAY I SAY, SIR, WE'LL BE MOST GRATEFUL FOR--

WAIT A MINUTE — WAIT A MINUTE — ONE AT A TIME!

NEAR THE BORDER, OUR GUIDE, WHOM WE HAD ALREADY PAID, BECAME ALARMED AT THE NUMBER OF SOLDIERS AND POLICE SWARMING ABOUT! HE ABANDONED US! LATER WE LEARNED THEY WERE TRYING TO TRAP A BAND OF SABOTEURS—

—WHO WERE SHUTTLING BACK AND FORTH AT WILL! OR SO THAT MAN IN THERE TOLD US!

WHAT MAN?

@*#! THAT BLABBERMOUTH!

THE MAN WHO'S STILL HIDING IN THE TRUCK!

I'LL SHOW YOU WHERE, MISTER!

I FOUND HIM! HE SAID HE HAD BLACKED OUT AND THAT HE'S TOO WEAK TO MOVE!

INDEED! HAUL HIM OUT OF THERE AND LEAVE HIM WITH THOSE OTHERS! WE'VE GOT TO GET GOING — WE CAN'T WASTE ANY MORE TIME!

'THOSE OTHERS'? DID HE MEAN US? YOU CAN'T LEAVE US HERE!? WHY — WE'D BE CAPTURED AGAIN —

SORRY, MADAME, THAT'S YOUR PROBLEM! WE SET YOU FREE, DIDN'T WE? MAYBE YOU CAN STILL MAKE IT TO THE BORDER!

SLIDE BACK FURTHER, MARLA, SO I CAN CLOSE THESE DOORS!

FROM HERE? HOW CAN AN OLD MAN WALK SO FAR — IT WOULD BE DAYS! THINK OF MY CHILDREN —

LET GO-

BUT-WAIT, BRUNO! SURELY YOU'RE NOT GOING TO LEAVE THEM —

NO? HERE WE ARE WEARING STOLEN UNIFORMS— DRIVING AROUND IN A HIJACKED ARMY TRUCK — AND YOU THINK I'M GOING TO STOP TO RIDE HERD ON A BUNCH OF REFUGEES?

Yes, Delmar now feels great! . . . and he says he has HADACOL to thank because his mother read how HADACOL was helping boys and girls suffering from deficiencies of Vitamins B1, B2, Niacin and Iron and decided to give it to him.

Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, $1.25, or the large family or economy size, $3.50, and if HADACOL doesn't help you, you will get your money back.

'YOUTH' THEME OF STATE FAIR FOR THIS YEAR

"Yuoth" will be the theme of the California State Fair in Sacramento next August 30 through September 9.

To symbolize the theme, the Fair has commissioned a noted sculptor to carve a huge statue 15 feet in height, from a section of a mammoth redwood tree which was more than 2,200 years old. The statue, symbolic of youth's ambitions and hopes, will be unveiled and dedicated at the Fair on opening day.

Carroll Barnes, among the nation's foremost artists, will carve the figure at his studio in Three Rivers, in the foothills east of Visalia in Tulare county. Barnes was present when the ancient tree was felled and selected a section of excellent grain, weighing between 20 and 30 tons, from which to fashion the statue.

Marked for cutting because it was burned at the base and a menace to nearby cabins, the 260-foot tree was on land owned by Abe Denkins adjoining Sequoia National Park. The tree was felled at the 7,000 foot level and the section from which the statue will be carved was trucked to Barnes' studio over 22 miles of mountainous roads.

The statue, abstract in form, shows a figure of a girl reaching toward the stars. It is to be erected in front of the Agriculture Building at the State Fair. Barnes and two assistants will work on the imposing figure, so far unnamed, all summer in order to finish it before August 30, the opening day of California's 92nd State Fair.

Judge Molkenbuhr Tours Montalvo

Superior Court Judge Edward Molkenbuhr toured Villa Montalvo in Saratoga Friday to get a first hand view of the estate which is the subject of litigation in his court. The estate was left by the late Senator James Phelan in a trust to the San Francisco Art Association, and was to be used as an art and cultural center and public park.

Heirs of the senator are seeking to gain title to the property, charging the art association has not lived up to provisions of Senator Phelan's will. The Attorney General and Montalvo Society are seeking to have the estate maintained as a cultural center.

How Would You Like to Have the **SAN JOSE WATER WORKS** Pay Your Water Bill?

★

If You Are Mr. Average Customer Your Water Bill Is Around $41.31 per Year

★

The common stock of San Jose Water Works is currently paying annual dividends of $2.00 per share. The dividends from 21 shares would provide an income of $42 per year. LEGAL NOTICE

RESOLUTION OF INTENTION TO ANNEX CONTIGUOUS TERRITORY TO COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, AND PROVIDING FOR NOTICE OF TIME AND PLACE OF HEARING THEREON.

WHEREAS, there has heretofore been filed with the Board of Supervisors of Santa Clara County a petition requesting this Board to annex to County Sanitation District No. 4 of Santa Clara County certain additional territory described in said petition and which said territory is more particularly described in Exhibit A attached hereto and made a part hereof by this express reference and incorporation; and

WHEREAS, it appearing to this Board that said particularly described territory is not within the boundaries of any other County Sanitation District or any other district formed for similar purposes, and

It further appearing to this Board that said contiguous territory will be benefitted by virtue of its annexation to said County Sanitation District No. 4,

NOW, THEREFORE, IT IS HEREBY RESOLVED that Monday, the 9th day of July, 1951, at the hour of 11:00 o'clock A.M. of said day, at the chambers of the Board of Supervisors of the County of Santa Clara in the County Courthouse, in the City of San Jose, State of California, is hereby fixed as the time and place at which this Board will hear and consider the matter of the annexation of said contiguous territory to County Sanitation District No. 4 of Santa Clara County, and at which time and place any and all persons interested in said matter may appear and be heard and show cause, if any they have, why such territory should not be annexed to said district.

AND BE IT FURTHER RESOLVED that notice of the time and place of said hearing be given by publishing a copy of this resolution and notice once a week for two (2) successive weeks in the Campbell Press, a newspaper of general circulation in said County Sanitation District No. 4 and in the territory proposed to be annexed to said district.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Clara, State of California, this 4th day of June, 1951, by the following vote:

AYES: Supervisors McKinnon, Wool, Campbell, Pfeifle Brown
NOES: Supervisors, None.
ABSENT: Supervisors, None.

WILLIAM S. PFEIFLE
Chairman of the Board of Supervisors of the County of Santa Clara, State of California.

ATTEST:: E. T. McGEHEE, County Clerk and ex-officio Clerk of said Board.
By Richard Olson, Deputy Clerk.

CHRISTIAN SCIENCE LESSON-SERMON

Among the Bible citations included in the Christian Science Lesson-Sermon for Sunday, June 24, there will be the following verses from the 27th Psalm:

"The Lord is my light and my salvation; whom then shall I fear? the Lord is the strength of my life; of whom shall I be afraid? Though an host should encamp against me, my heart shall not fear; though war should rise against me, in this will I be confident, I had fainted, unless I had believed to see the goodness of the Lord in the land of the living."

This Lesson-Sermon, the subject of which will be "Is the Universe, Including Man, Evolved by Atomic Force?" will also include correlative passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, one of which wil read::

"Neither philosophy nor skepticism can hinder the march of the Science which reveals the supremacy of Mind. The immanent sense of Mind-power enhances the glory of Mind. Nearness, not distance, lends enchantment to this view" (p. 209).

Make Strawberry Chiffon Dessert Before Fresh Berries Bow Out

The strawberry season is much too short for everyone who likes luscious desserts so you can't serve them too often during their limited engagement at the market. Put your next pint of the beautiful berries, via gel-cookery, in a Strawberry Chiffon Dessert like the one in the picture. It's made with unflavored gelatine and whipped evaporated milk so it stakes an honest claim for thrifty dessert honors. Only one pint of berries, but it serves 8!

Like all dishes made with unflavored gelatine, Strawberry Chiffon Dessert can be made hours in advance of serving time. If you'd like to serve Strawberry Chiffon Pie, turn the mixture into a baked 10-inch pie shell instead of a mold.

Strawberry Chiffon Dessert

1 pint strawberries
1 envelope unflavored gelatine
½ cup water
⅔ cup sugar
1 teaspoon salt
3 tablespoons lemon juice
1 teaspoon lemon rind
1 tall can icy cold evaporated milk

Crush strawberries with a fork reserving 3 for garnishing. Soften gelatin in water; place over boiling water and stir until gelatine is dissolved. Remove from heat; add sugar and salt and stir until dissolved. Mix in strawberries, lemon juice and rind; chill until the mixture is the consistency of unbeaten egg white. Whip chilled evaporated milk until stiff; beat in gelatine mixture. Turn into 1½ quart mold. Chill until firm. To serve, unmold and garnish with whipped cream and sliced strawberries.

YIELD: 8 servings.

Polio Pointers

The National Foundation for Infantile Paralysis has issued the following list of do's and don'ts for the 1951 polio season. It is suggested that those who have not received the printed list through the mail clip the list and keep it for reference. Further information may be obtained by writting to The National Foundation for Infantile Paralysis, 120 Broadway, New York 5, New York. Publication is made possible by the annual March of Dimes.

IF POLIO COMES—

DO allow children to play with friends they have been with right along. Keep them away from new people, especially in the close daily living of a home.

DO wash hands carefully before eating and always after using the toilet—especially important when polio is around. Also keep food clean and covered.

DO watch for signs of sickness, such as headache, fever, sore throat, upset stomach, sore muscles, stiff neck or back, extreme tiredness or nervousness, trouble in breathing or swallowing.

DO put a sick person to bed at once, away from others, and call the doctor. Quick action may lessen crippling.

DO telephone your local chapter of the National Foundation for Infantile Paralysis, if you need help. Locate through telephone book or health department. No patient need go without care for lack of money. Your chapter will pay what you cannot afford.

DO remember—at least half of all polio patients get well without any crippling.

DON'T get over-tired by hard play, exercise, work or travel. This means men, women or children.

DON'T get chilled. Don't bathe or swim long in cold water, or sit around in wet clothes.

DON'T have mouth or throat operations during a polio outbreak.

DON'T use another person's towels, dishes, tableware or the like.

DON'T take children to places where there is polio. Ask your health department.

DON'T take your child out of camp or playground where there is good health supervision.

Folk Dancers Slate Festival At Mt. View

Over 2000 folk dancers from Northehrn California will participate in the regional folk dance festivities to be held in conjunction with the third annual Mountain View Harvest Festival, July 20-22, according to Dorothy Marchant, folk dance activities chairman.

Participating in the event will be folk dance groups from the leading communities in the bay area featuring many exhibition and demonstration dances in addition to the regular participating dances.

The dance list has been prepared and will be mailed to all groups in the next few days. Dances included will be squares, waltzes, polkas, Schottisches and many others.

A novel feature of the festival will be the presentation of the triple circle group dances:: the Backward Contra, Shuttlebux and Dreisteyer.

All folk dancers in the northern California region are invited to attend this California Folk Dance Federation sanctioned festival.

Other events at the three-day Harvest Festival will be kiddies' pet parade, talent show, carnival, queen's coronation and ball, sports events and a climactic "United Nations for Defense" parade featuring a military and U.N. theme, on Sunday, July 22 at noon.

San Josean Fined

Charles Rudolph Nelson, 192 Cleaves Avenue, San Jose, was fined $150 for drunk driving recently by Justice of the Peace Martin S. Walsh of Campbell.

Nelson pleaded guilty to the charges. He was arrested April 21 by Patrolan Ed Snow of the California Highway Patrol after he was involved in an accident.

SERVICE NOTES

DON AND ERNEST SMITH

Ensign Don Smith of the U. S. Navy Air Corps, stationed in Hawaii, surprised his parents recently when he dropped in for a four-hour visit, thanks to an unexpected flight from Honolulu to the mainland and return. He is the son of Mr. and Mrs. Harry Smith of 21 Sunnyside Avenue.

Ensign Smith arrived during the 15-day leave of his brother, Ernest W. Smith, USN, of the USS Fort Marion LSD 22. It was the first time the brothers had been together since they met in Japan last Christmas. Ernest was spending his leave with his parents after 11 months in the Korean area.

BESSIE LEECH TO JOIN WAF

Miss Bessie Leech, 22, daughter of Mr. and Mrs. H. H. Leech, 895 W. San Tomas Road, Campbell, has been accepted for enlistment in the WAF. She will be enlisted on July 4 in the present recruiting drive, "Operation Independence." Santa Clara County has been allotted a quota of 70 men and 20 women for this drive.

ENLISTMENT OK AFTER PREINDUCTION NOTICE

The Navy Department has announced that the interservice agreement which prevents the enlistment of an individual who has recevied a notice to report for a preinduction mental and physical examination has been temporarily rescinded for the period 15 June through 15 July.

This permits an individual who has received his notice to report for his preinduction mental and physical examination to enlist in the Navy if he so desires, until the time he receives his notice to appear for actual induction. Until now men who were ordered to report for preinduction and mental examination had no choice of the branch of service in which they were to serve.

The U. S. Navy recruiting station is located in room 227, Post Office Building, San Jose, California.

ELMER CHRISTENSEN

Elmer John Christensen of 369 Carlyn Avenue, Campbell, will be enlisted on July 4 in the U. S. Air Force, at swearing in ceremonies climaxing "Operation Independence". Christensen, son of Mr. and Mrs. E. A. Christensen of Campbell, has enlisted under the quota of 70 men and 20 women allotted this county during the recruiting drive.

Melvin L. Blue of Campbell has been accepted for Navy enlistment through the San Jose recruiting station. He is assigned to San Diego for recruit training.

PFC CLOYD WILLIAMS

Pfc. Cloyd Williams arrived here Sunday at 7 a. m. on 10-day furlough, which he is spending with his mother, Mrs. Betty Williams of 422 Maple Avenue. He will leave here next week to report for duty as a teletype operator with Airforce Headquarters, Pentagon Building, Washington, D. C. Pfc. Williams expects to be in Washington for about 18 months. He has just completed training as a teletype operator at Warren Air Force Base, Cheyenne, Wyoming.

CPL. ROBERT R. SMITH

Corporal Robert R. Smith is visiting his mother, Mrs. Ira Smith, of 118 Dillon Avenue, following his return from Korea on May 24. He was with the 19th Division Infantry Regiment. This is the first time he has been with his mother in three years.

Cpl. Smith served in Japan for 18 months before going to Korea last July 4. He wears the Purple Heart ribbon for a wound sustained in battle of Seoul, and has the Bronze Star for valor on July 20 when in the battle surrounding Teagan.

The Korea veteran, who makes his home in Stockton, will be reassigned to Fort Ord as an instructor. Smith says "it's wonderful to be home and to walk around in the fresh air without expecting to be shot at any moment."

Dick Metz

Private George R. "Dick" Metz, son of former Campbell residents Mr. and Mrs. O. A. Metz of Vermont street, San Jose, is attending a special school on the island of Eta Jima, Japan, for training as a lineman in communications. After completing the four-weeks' course, Metz expects to be sent to Korea. Metz, who has been in the Army since December, had a lucky break on that training assignment. He had shipped over from Camp Stoneman to Yokohoma. He was among 2000 men who lined up one morning to board a ship for Korea. At the last moment, names of 60 men were called, and these were assigned for special training. Metz was one of the 60.

WAVE ENLISTMENT AGE REDUCED

The San Jose Navy Recruiting Station announced today that the age requirement for enlistment in the Waves has been reduced to eighteen years. Prior to this time the age requirement was 20 to 25. Any girl between 18 and 25, who is single and has the equivalent of a high school education is eligible to enlist in the U. S. Navy. Girls under 21 must have the consent of their custodial parent. The quota is unlimited, and all girls enlisted are sent to Great Lakes, Illinois for recruit training. During the training period, the girls are selected for further training or assignment to one of 27 different trades. The Navy Recruiting Station is located in the Post Office Buliding in San Jose.

PREINDUCTION ENLISTMENT

U. S. Marine Corps District Headquarters Recruiting Station in San Francisco has just received news of interest to all men of draft age in that for the period June 15 through July 15, persons having received orders from their Local Draft Board to report for preinduction examination may voluntarily enlist in the Marine Corps. In the cases of high school and college students who have received their induction orders and have been deferred until the end of the school year, they may apply for enlistment provided that they come to the recruiting station under their own volition and write to their Selective Service Board at least 30 days prior to the time their deferment is up, stating that they wish to have their case reported for the purpose of volunteering for enlistment in the U. S. Marine Corps.

The Marine Corps has encouraged all men who fall in this category to apply for enlistment immediately to facilitate courteous and convenient processing of an expected large number of applications.

The Marine Corps Recruiting Station in San Jose is located in room 227, Post Office Building, CY5-6685.

In answer to widespread questions from this district regarding deferment of agricultural workers with 1-A draft classifications, Congressman Jack Z. Anderson has received the following information from Draft Director, General Lewis B. Hershey.

In a letter to Anderson, Hershey said that the Selective Serivice act of 1948 "prohibits deferments by groups or categories, and requires that each deferment granted must be given on the basis of the individual status of each registrant."

"Local boards," Hershey stated, "are very well acquainted with agricultural as well as other situations in their respective communities, and by consideration each case can make determinations in a manner consistent with the local, state, and national interest."

The draft director further wrote that while certain activities "will bear great importance to the national defense," there are also critical capacities such as age and physical condition which must be considered in selecting men for the armed services. The present limited age liability for service is enabling Selective Serivce to avoid taking older men whose civilian skills exist in greater proportion than their military capacities, Hershey said.

The U. S. E. S. and Affiliated State Employment Serivces should be called upon to supply the local draft board with evidence that a farm employee cannot be replaced, Hershey concluded.

Measles Rate Takes Sharp Drop In SC County

There was a sharp drop in the number of cases of communicable diseases reported to the Santa Clara County Health department for the week ending June 16. A total of 131 cases was reported; for the previous week there were 256. Greatest change was the decline in cases of measles from 198 for the previous week to 87 for the June 16 week. This is the expected leveling-off of the measles epidemic.

Two cases of measles and one of scarlet fever were reported in Campbell.

One case of polio in Los Altos was reported. This is the normal seasonal incidence, the department states. For the first time since January 13 no cases of German measles were reported. Other diseases reported were:: chickenpox 22, epilepsy 1, gonorrhea 1, mumps 11, scarlet fever 3 and tuberculosis 5.

Home Talent Night For Eastern Stars

Home Talent Night will be staged by members of the Willow Glen chapter, Eastern Star, Monday night, June 25, in Mary Ann gardens at 8:00 p. m.

The program for the evening wil be unrehearsed, and each act will be a surprise to the audience.

Independence Day Induction Rites For 600 In Fresno

The Fresno Army and Air Force Recruiting Station is planning a memorable Fourth of July celebration for 500 selected young men.

Special permission to enlist these 500 men and 100 women into the Air Force on Independence Day was received today from the Department of the Air Force, Washington, D. C.

The San Jose Recruiting Station is part of the Fresno Detachment, and as its part of the Operation Independence program has been alloted 70 vacancies.

The project has been named "Operation Independence." The enlistment ceremony is to be a tribute to Independence Day, to the United Nations and the international independence for which it stands, and to the sacred right of Americans, young and old, to select their own future.

Applicants will be screened for enlistment at the Fresno Recruiting Main Station. When found acceptable, they will return to their homes and wait for the July Fourth enlistment ceremony. The actual oath of enlistment will be administered at a public ceremony on the Fourth of July at the Fresno county fair grounds. The program will be preceeded by an Independence Day parade and followed by a display of fire works. High ranking military officers and officials of the state of California will be present during the entire celebration.

The modern Minute Men who comprise "Operation Independence" will be feted by veteran and civic organizations in Fresno. A special train will be made up for the trip to Lackland Air Force Base, San Antonio Texas, where the men will undergo the Air Force basic training. The local youths will remain as one group during the basic training period.

"What day could be more appropriate for the youth of America to volunteer to serve their country than Independence Day," said M/Sgt. Kenneth D. Stanford, in charge of the San Jose Recruiting Station.

Sgt. Stanford said that applications for "Operation Independence" wlil be taken immediately. The recruiting station is located at 213 Post Office Bldg., San Jose.

Rest is valuable only so far as it is a contrast. Pursued as an end, it becomes a most pitiable condition. —D. Swing

How to make good telephone service even better....

Faster Long Distance service if you place your call like this Maybe you never thought of it this way, but you can help your Long Distance operator save your time if you give her your call like this: First, the name of the town you're calling. Then the telephone number. And finally the name of the person you're calling—if it's a person call. You'll find this tip particularly helpful these days when Long Distance lines are busy carrying the calls that are aiding our military forces and our industries to build the nation's strength.

Have you started keeping a handy out-of-town number list? You'll find you can save considerable time in completing Long Distance calls if you give the operator the number you want rather than just the name and address. That way, you see, you won't have to wait while she calls "Information" in the distant town to get the number you're calling.

VIOLIST JASCHA VIESSI TO APPEAR WITH ALMA TRIO IN CONCERT JUNE 24

Jascha Viessi, world famous violist, will appear as guest artist with the Alma Trio, when the group gives its only Pacific coast concert at Villa Montalvo, near Saratoga, Sunday, May 24, at 3 p.m.

Viessi, who has performed as guest soloist with the leading orchestras of Europe and America, will join the trio in its performance of Brahms Pjano Quartet in G Minor. The brilliant virtuoso plays a 16th century viola.

Roman Totenberg, violinist, and Gabot Rajto, cellist, are enroute from the east and will join the third member of the brilliant chamber music group, Adolph Baller, pianist, of Palo Alto, for pre-concert rehearsals this week Since final program arrangements will not be made until the trio meets, the only selection to be announced is the famous Brahms Quartet.

Each member of the Alma Trio is a distinguished artist and each is in constant demand in the concert field. It was Yehudi Menuhin, world-famous concert violinist, who brought the three artists together seven years ago, when the Alma trio was formed. Since that date the group has given many concerts in the Bay area and has won the acclaim of chamber music lovers throughout the nation.

Because of other commitments by the members of the group, the Montalvo concert, June 24, will be the only west coast performance of the Alma Trio this summer.

Mrs. Thomas C. Haire, program chairman of the Montalvo Society, and the Friends of Montalvo, who are sponsoring the concert, urges that reservations for tickets be made early because of the limited seating capacity of the Montalvo music room, which accommodates only 150.

Tickets are $1.50 and may be reserved by telephoning Mrs. Haire at ELgato 4-3674 or purchased directly from the Saratoga Drug Store, Buy-for-Less Drug Store, Los Gatos, or Sherman Clay & Co., San Jose. Remaining tickets will be available at the door.

In sponsoring concerts, art exhibits, and other cultural activities, the Montalvo Society and its sister organization, the Friends of Montalvo, are carrying out the wishes of the late Senator James Phelan, who bequeathed the palatial Saratoga estate, and a trust fund of $250,000, to be used as a public park and cultural center.

The famous estate, Villa Montalvo, and the trust fund, are now the subject of litigation in a San Francisco Superior Court. Heirs of the late senator are seeking to recover the estate and the fund from the San Francisco Art Association, present trustees

Antonio Moreira, Local Rancher, Dies Suddenly

Antonio A. Moreira, 64, of Hamilton Avenue, died Monday, June 18, while he was irrigating the ranch of Daniel Rose on Dutard Avenue. Moreira had been a rancher in this area for 25 years.

A native of Santa Barbara, Santa Maria, Azores Islands, he was a member of Council Alum Rock 32, UPEC; Liberty Grove 134, UAOD, and the St. Anthony Society.

He is survived by his widow, Agnes S. Moreira; daughter, Mrs. Mary M. Azevedo of Campbell, and a cousin, Manuel M. Moreira of Lovelock, Nevada.

Funeral services were held yesterday, June 21, in San Jose, followed by requiem mass at St. Lucy's Church, Campbell. Interment was at Santa Clara Catholic Cemetery.

"SMALL BUSINESS"

By C. WILSON HARDER

These last ten days of June are probably the most dangerous days the nation has ever faced.

* * *

Whether or not this country goes into a complete dictatorship will depend a great deal on Congressional action on renewing so-called "emergency" laws that are expiring.

C. W. Harder

* * *

Renewal of the Price Control Law as well as the Marshall Plan comes up for Congressional consideration. Already, the pattern of the coming dictatorship is etched over the face of the land.

* * *

"Price Controller" Michael DiSalle blatantly stated over a television program what bureaucrats want out of Congress. It's chilling to contemplate.

* * *

As DiSalle talked, rushing along the ether waves with his broadcast were echoes of the tramp of boot-shod Brown Shirts through Nuremburg, and the heavy tread of the heavy-hearted hopeless in parade past the high reviewing stand in Moscow's Red Square.

* * *

For the pudgy Fuehrer of Fuss and Confusion now wants Congress to give him authority to license every business in the United States. Then, he states, if any business violates any regulations he concocts he just suspends that business. The liquidation could be employed if violation were intentional, or accidental.

* * *

The charitable comment on his spoken demand would be that he is stupid. However, DiSalle is intelligent. Therefore, the eventual goal becomes alarmingly apparent. His further remarks substantiate this cause for alarm.

* * *

For he then says the nation's supply of consumer goods is possibly the highest it has been in history and predicted ample supplies in the foreseeable future.

* * *

He is too intelligent not to know if that is true, the law of supply and demand and free competition will regulate prices.

* * *

Congress could profitably consider a permanent "Anti-Dictatorship for the U. S. Committee" to be headed with all the intelligent zeal that marks Senator John Sparkman's (D.Ala.) chairmanship of the Senate Small Business Committee.

* * *

There would be a lot of work for such a committee. For example, there should be an investigation right now as to why American taxpayers should continue to give more billions of dollars to Europe.

* * *

Stuart Symington, new RFC head, condemns in a speech the world tin monopoly of British, Dutch, Belgian and Bolivian interests who jacked the tin price at the start of Korea from 74 cents per pound to $1.80. Three of those nations have received billions of dollars of Marshall Plan gifts.

* * *

But the tin story does not end there. The Marshall Plan is giving tinplate to these countries from whom the nation now buys tin at these excessive prices.

* * *

Watch these ten days. American democracy is at stake. Americans can, and probably will, lose practically all freedom in these ten days unless Congress proceeds with caution.

UNION DISTRICT CALLS ELECTION ON TAX RAISE

A special election will be held July 19 in Union Elementary School District to consider a proposed raise in the district school tax rate from 90c per $100 of assessed valuation to $1.75. Trustees have explained that although state funds provide for construction of new school buildings, sufficient funds will not be available for furnishing the new structures.

Increased costs of school operation and maintenance has pushed the school to the limit of its budget, a citizens' committee supporting the increase has announced.

Dry Cleaning Official Gives Kiwanis Talk

George Shepherd, executive secretary of the California State Dry Cleaners Association, gave a talk on the dry cleaning industry at the Kiwanis Club luncheon meeting Tuesday noon. The speaker also showed a film on the industry.

Vice-president L. J. Hill presided in the absence of the president, Fred Jones Sr.

Wayne Pearson, who graduated last week from Campbell Union High School, was awarded the Kiwanis Club scholarship this year.
